Appendix II to “Bibliometric Analysis of Uppsala University 2007–2010”

by M.S. Visser and A.J. Nederhof

Appendix II consists of two figures; “Figure II.1: Impact profile: Publications and impact per subfield 2007–2009/10” and “Figure II.2: The 30 most important UU-knowledge users by main organisation 2007–2010”.

This appendix was published 5th December 2011.
